

Dear Saints please take the time to read the following it is very important.

HEARTLAND FIRE IN AMERICA PART -2

This virus plague was shown to me in 1998, and the Lord God said, “my son, in the last days I will send upon the land rare plagues, My judgment will come when a nation breaks my laws and turns there back on me. Therefore, My prophets will call forth my judgments”. Past prophecy, current in this hour, as it comes forth and the time clock is running out.

Greetings to all, in the name of the Lord Jesus Christ; May this letter, find you at peace and secure in the faith. I believe that the times we are living in are very dark indeed, and things must get worse before they get better. When we go to the other side then things will get better. As Christians, we need not fear the things to come, but instead, rely on Jesus Christ our Rock and refuge, the One in whom we trust; keeping our eyes on Christ Jesus; running the race set before us; looking unto Jesus the only One that can and will see us safely to the other side.

I believe the times that we live, we need to focus on getting our lives right with God, pursuing His will and Word and not our own. God puts us here on this earth to fulfill His good works and to uplift each other in the Lord. So many people die each and every day not knowing Jesus Christ. This is our mission, to proclaim Jesus, the Son of God everywhere we go. True, times are growing more uncertain, people hearts are growing cold.

Prophecy is being fulfilled, weather you choose to hear the call or not is between you and God. Love one another, this is our creed, not a new creed but one that dates back two thousand years ago and before. Love one another; this sums up the law of the prophets. In this late day, it is too late to stand on the sidelines, God is calling for you to come to the forefront and stand for truth. It is too late in the game, for sin to prevail. Sin must be put out of our lives. Repentance must come forth in our hearts and in our nation. ***We must stand as one, or else we will not stand.***

See: Vision Of War Watchman Report Jan.11,2004

This is what the sovereign Lord says: “Disaster comes! The end has come! It has roused itself against you who dwell in the land of America. The time has come, the day is near. There is panic, not joy, upon the mountains.” Those in the country will die by the sword, and those in the city will be devoured by famine and plagues. All who survive and escape will be in the mountains of the Lord. *Ezekiel 7:1-19*

Plagues: New viruses will break out, sent by the Lord. They will come with many different labels: bio-chemical warfare; evil governments; medical industry. The bottom line is, it will all happen because of sin. The only cure is to be in the blood of Jesus Christ now, not later after disaster hits. *Ps. 91*

See: Super Natural God Watchman Report June 20,1998

A wild plague will break out in beast and some domestic animals; this will cause them to attack humans, and people will die from their bites. (Like a bite, i.e., demons being release through Birds, Swine - flu).

See: *War Is Coming Watchman Report Feb.12, 2002*

America will be hit with a super bug type plague and it will kill thousand. This will make aids look like a walk in the park. An outbreak of super cell tornadoes will hit America sending her a twist of confusion and devastations. At the same time you will see widespread flooding that will cause new lakes.

See: *Coming Events part-1 Watchman Report Nov.30, 2007*

Patients in hospitals will begin to spread rare strains of different disease to other people. These patients know they are going to die and many of them will act like suicide disease bombs and will expose many of the people. These people know they are highly infectious and by their disease of death that is upon them, they will kill thousands of people.

See: *America's Road Map part-1 Feb.9, 2008*

Just as the clouds cover the mountains, beware so the enemy will try to come in and cover your vision.

Wide is the gate that leads to destruction and many go in, but narrow is the gate and difficult is the way which leads to life, and few who find it. (Matthew 7:13-14)

Mark you well, there will be a new date coming very soon and the world will focus in on that date; it too will bring more panic, fear, death, war and uncertainty. This date, however, will be different than the rest; the likes America has never seen.

Then I heard Lord Say, "The hour has come, the time is at hand, it is a great mystery, that great mystery is America. The age of the Golden harvest has come to an end; the seven years of plenty have come to an end, and it will be the beginning of a different famine for America."

There will be floods, droughts, fires, earthquakes, hurricanes and tornadoes beyond anything America has ever seen in the past. "I will cause such a famine; there will be food and water shortage beyond anything America has ever gone through." The weather will be so extreme it will go from hot to cold then back to hot then to cold. It will be cold one day and be hot the next. There will be floods that will ruin water and food supplies, and there will be droughts at the same time that will cause water and food shortages and the fields will dry up and wither. *This is my smallest judgment, as my judgment falls on America, there will be panic and fear, many people will begin to turn on one another like a pack of wolfs who have not eaten for a week. America will be divide beyond measure. The impact will be far greater than all the disasters that has ever happen within her. She will fall, never to rise again. Her pride of sin has reached the heavens.*

America, you will cry for peace, peace, and you will ask, where is the prosperity we once had? There will be many who will sell their soul for peace and prosperity but there shall be none.

"Then, in one hour a coming destruction will come upon you; like a whirlwind sweeping through a desert. I will bring invaders in to take the land. Your sons and daughters will die by the sword. Then, in one hour, I will shake America like she has never been shaking before."

See: *Seven Angels Watchman Report June 20, 2007*

Sin = Death = Double Judgments = Fires, Volcanoes, Earthquakes, Floods, Tornadoes, Plagues, War, Rage, Famine, Death. Double Judgment to the Church, Double Judgment to America.

The same sex marriage of these, so called domestic partnerships, will spread all over the nation. An uprising will take place. An increase in this area will rise in 2009.

Obama: The 99th Day 08:05 AM April 28, 2009 USA Today Welcome to the Oval. It's Day 99 of the Obama presidency. Just a few days of 100-day stories left! This is also the birthday of former President James Monroe, and of Saddam Hussein. Obama -- who on Wednesday's 100th day holds a town hall in Missouri and a news conference at the White House -- has a relatively low key agenda today, at least publicly. The president visits the FBI building to speak with Director Robert Mueller and FBI employees, meets with the Congressional Progressive Caucus back at the White House and honors the national [teacher of the year](#) in the Rose Garden. His meetings include a regular session with Defense Secretary Robert Gates. Later this afternoon, the president and first lady Michelle Obama host a reception for Cabinet secretaries. **Also on the presidential radar:** Swine, which is starting to have [political implications](#). That includes a political test for the [Obama administration](#). A [Chrysler](#) deadline this week, though [General Motors](#) is also starting to make some moves to try and stave off bankruptcy. [Health care](#), a main topic of the [Congressional Progressive Caucus](#) meeting. The White House is no doubt hoping for a more placid day than it had on Monday. First, protesters tried to chain themselves to the White House fence. Then we heard a man Obama met in Mexico on April 16 [died just days later](#), though not of swine flu. And a White House official [apologized](#) for a low-flying Air Force One photo-up over New York City that triggered flashbacks to 9-11. Whatever happens today, we'll keep you posted. Be careful out there. : Reported by David Jackson USA Today

As these same sex marriages go throughout the land of America and travels in 360 degrees; so the swine flu travels in 360 degrees around the world. Google news reported the same day swine flu breaks out around the globe; 360 same sex marriage couples apply to get married in Iowa. Head of health Sen. Sub-committee called under emergency congressional meeting on Swine Flu outbreak just happens to be Senator from Iowa where 360 same sex marriages are to be held.

Where does Obama fly to on such a busy day of the 99th day in office? A day of double judgment for America; same sex marriage in the Heart Land and Swine Flu in America; he flies over the Statute of liberty representing, loss of America's Liberty, flashbacks of 911. He then goes to Missouri, the Heart Land of America, for a town meeting. President James Monroe Dies on July 4th. A day of America's Independence sounds like the end of Obama / America by the end of and the Birth of two who came to their end, James Monroe and Saddam Hussein. (Both of their birthdays fell on the day of Obama's 99th day in office.) Heart Land meeting in Missouri - Missouri was a slave state during James Monroe's term and in the middle of the Heart Land we see those who are slave to sin with the same sex marriage and America becoming a Slave state for all people. Christian's rights are being taken away. Monroe brought forth federal funding of the National Banks so Obama working on the Nationalizing of Banks.

This is a spiritual parallel of what I hear in the Holy Spirit: The American government and the Oval office has become a place where there is no place for the Lord God Almighty and America has turned their back on God. The time clock is running out! Notice the time in the Article above; it is 8:05 am. This is a new day dawning for America; a day that all things shown to me for America, in all the letters on my web site, will now be fulfilled.

Time 8:05 AM. I was led to Jeremiah 8:5

1. Obama meets with FBI Director to talk with him on the plan of (Marshall Law in America?).
2. Obama Meets with Teacher of the year from Greenwich in Rose garden as the attack begins on schools and kids like never before. Tens of thousands of kids in America's schools are about to die from the flu. (this swine flu is only the beginning)
3. Obama meets with DOD Head Gates (to make plans for the use of Federal troops during Marshal Law?)
4. Obama has party with Cabinet heads.
5. Obama has meeting on Swine Flu as it spreads around America.
6. Big Three GM –Chrysler- Ford, going to Bankruptcy as America is Bankrupt.
7. Health care main topic in congressional meeting.
8. First protesters tried to chain them self to Whitehouse Fence.
9. Obama meets man in Mexico and later man dies but not of swine flu. With such important topics what a thing to bring up??? I wonder what is up with that.
10. Whitehouse official apologized for low flying Air force One over N.Y. that triggered flashback of 911 as people run in fear. The reaction of the people was just what the out come will be very soon.
11. The statement from the reporter of USA Today David Jackson "Whatever happens today we'll keep you posted, be careful out there." ??? All this on Obama's 99th day in office.

"At that time," says the LORD, "they shall bring out the bones of the kings of Judah (Obama/America), and the bones of its princes (cabinet members of the Whitehouse), and the bones of false leaders, (Religious Church's; paid hirelings, false priests, pillow prophets. They are like unleavened bread, i.e., bread with no substance; new wine that is really old wine who fill their pockets with gold and miss lead many to areas of destruction; who pervert the truth and who gather fan fare around them. I say woe unto you, you blind leaders, your bread is stale and your wine stinks), the bones of the inhabitants of Jerusalem (America) out of their graves. ² They shall spread them before the sun and the moon and all the host of heaven. These hosts are demons whom they worship, which they have loved and which they have served and after which they have walked; which they have sought and which they have worshiped. They shall not be gathered nor buried; (Bird and swine flu will also bring many bodies to lie in the streets) and when it is all over and all

the disasters hit this land then will come the invaders of the south land; the sword of Omar; then the northern armies - Asia, Russia and many other. Many bodies will lie in the streets of America.

Like the dream of 1989; I was in this basement like building with some brothers and sisters; we were standing up; we were crying out to the Lord in hot prayer. There was a window well and you could see out on the street. As we were praying a little oriental boy threw a dime size bomb in the room. I picked it up and threw it out the window. As I did this I could see dead bodies lying all over the streets; much like what the Nazi's did to the Jews when they killed them. Their bodies lay in the streets everywhere and they stacked many of the bodies in big piles and burned them. That is what I saw when I looked out the window. I could hear the screaming and the gunfire going off everywhere. As I looked up, the little oriental boy was gone; he had become an oriental soldier standing a uniform with Russian insignia on it with a gun in his hand. He looked at me; I looked at him. I then looked in the room where we were all standing; all the believers had their hands out in front of them. In their hands were 7 concert tickets; as I looked at the tickets it said on them, "the Lambs Book of Life", the scene changed?

They shall be like refuse on the face of the earth. ³ Then death shall be chosen rather than life by all the residue of those who remain of this evil family (of America), who remain in all the places where I have driven them," (Areas of destruction outside the refuge areas) says the LORD of hosts.⁴ "Moreover you shall say to them, 'Thus says the LORD: "Will they fall and not rise? Will one turn away and not return? ⁵ Why has this people slidden back, Jerusalem (America and the Church), in a perpetual backsliding? They hold fast to deceit, they refuse to return. ⁶ I listened and heard, *but* they do not speak aright. No man repented of his wickedness, Saying, 'What have I done? Everyone turned to his own course, as the horse rushes into the battle. ⁷ "Even the stork in the heavens Knows her appointed times; And the turtledove, the swift, and the swallow Observe the time of their coming. But My people do not know the judgment of the LORD. ⁸ " How can you say, 'We *are* wise, And the law of the LORD *is* with us'? Look, the false pen of the scribe certainly works falsehood. ⁹ The wise men are ashamed, They are dismayed and taken. Behold, they have rejected the word of the LORD; So what wisdom do they have?

¹⁰ Therefore I will give their wives to others, *And* their fields to those who will inherit *them*; Because from the least even to the greatest, Everyone is given to covetousness; From the prophet, even to the priest, Everyone deals falsely. ¹¹ For they have healed the hurt of the daughter of My people slightly, Saying, 'Peace, peace!' When *there is* no peace. (False prophets and priest of prosperity) ¹² Were they ashamed when they had committed abomination? No! They were not at all ashamed, Nor did they know how to blush. Therefore they shall fall among those who fall; In the time of their punishment (The year of the beast and of fire; 2009 is the beginning of a door way and June 2009 will shake everything; a mighty shaking in the late spring). (I see the breach, and the rocks are falling; Tora, Tora, Tora; for the Storm is on its way and the beast will rise out of the earth and the sea to do what they have been order to do as the death judgment comes in levels of increasement; (It will not be the death devil). They shall be cast down," says the LORD. ¹³ " I will surely consume them," says the LORD. " No grapes *shall be* on the vine, Nor figs on the fig tree, And the leaf shall fade; And *the things* I have given them shall pass away from them.(He is pulling the rug of Babylon out from the church, jobs, houses, and all idols that hold you back from Him)

¹⁴ “Why do we sit still? Assemble yourselves, And let us enter the fortified cities, And let us be silent there. For the LORD our God has put us to silence And given us water of gall to drink, (It’s time for the Church and America to drink the cup and eat the bread of affliction) Because we (America) have sinned against the LORD. ¹⁵ “ *We* looked for peace, but no good *came*; And for a time of health, and there was trouble! (Bird –Swine Flu) ¹⁶ The snorting of His horses was heard from Dan. The whole land trembled at the sound of the neighing of His strong ones; For they have come and devoured the land and all that is in it, The city and those who dwell in it.” (I will send the Sons of God to declare my Judgments and they shall take up the staff of judgment and send terror on this nation of America; you shall tremble and many shall die at the hand of the Almighty God, for We have been sent to declare a day of Vengeance of our God). ¹⁷ “ For behold, I will send serpents among you, Vipers which cannot be charmed, And they shall bite you,” says the LORD. ¹⁸ I would comfort myself in sorrow; My heart *is* faint in me. ¹⁹ Listen! The voice, The cry of the daughter of my people From a far country: “*Is* not the LORD in Zion?(Church) *Is* not her King in her?”(Church) “Why have they provoked Me to anger With their carved images— With foreign idols?” ²⁰ “The harvest is past, The summer is ended, And we are not saved!” ²¹ For the hurt of the daughter of my people I am hurt. I am mourning; Astonishment has taken hold of me. ²² *Is there* no balm in Gilead, *Is there* no physician there? Why then is there no recovery For the health of the daughter of my people? America has been consume by the plagues I will now send upon her.

Word like Jeremiah spoke in Chapter 8

With the coming of Fear and confusion the people of America are not sure as they live with uncertainty.

While America is focused on the fall of the markets and the swine flu running through the nation, I see a bad moon on the rise. I see an earthquake arising and the end is coming. A STORM IS COMING, AN ATTACK IS SURE, TORA, TORA, TORA! The surprise has been achieved and the Bear/Russia, and the Dragon/China is on the way. The year of fire, 2009, will bring much change to America as it burns out the idols of America and faces the most brutal riots.

From the Heart Land comes trouble and it shall spread across the land.

See Americas Road Map part-3 Watchman Report September 19,2008

The hordes of Hell are being release out of the Volcanoes; The demons that rise out will come in many different forms; one big deception is the falling away revival that happen in Lakeland FL. with Todd Bentley. I was watching a Rick Joyner conference clip and I saw two girls on the stage singing and they were snake dancing. It was right from the pits of hell. While Todd Bentley has stepped down, the music is spreading in the Christian Church and it is very hypnotic. Many people will think they are worshipping God but they are in a state of unaware hypnosis; under the curse of the serpent. Even when you look at the person in their eyes and you do what they tell you it is coming under a hypnotic state and especially if they lay hands on you.

The rider of the red horse is taking peace from America. The spring shaking will shake everything and man's heart will fail for what is coming on the earth. Three strikes are about to take place in America as the Storm rises west, so shall it go to the east and flashes from the east back to the west; In the middle, the heart land shakes to its very core. June 9, 2009 is a double judgment in the spiritual and physical. I heard the Lord say, as He had me point to the calendar in 1998 on JUNE the 9th. He said three times the words, "JUDGMENT, JUDGMENT, JUDGMENT", then I heard the words, "Earthquake and Death". Could this be the time? Could this be the June? I do know a massive shaking is on its way as the Lord has said. Will you be ready? The third sixty day cycle is almost upon us; it ends on June 9, 2009. A day of decision is now here, you decide. But more importantly seek the Lord Jesus Christ while He may be found.

To those called by His Name, I bid you to buy pure gold tried in the fire by the holy blood of the Lamb. May the Lord Jesus bless you and keep you in the days ahead.

God Bless you,
